

MEDIA LITERACY FOR FIGHTING DISINFORMATION INITIATIVES IN PORTUGAL

A REVIEW OF INITIATIVES

Portugal is a good example of some **public-private**, **academic** and **media initiatives** stepping in and **leading** the **media literacy implementation** process before the political and regulatory framework has been defined.

NATIONAL INITIATIVES AND STRATEGIES

To promote **safe**, **healthy** and **conscious use** of the Internet, as well as to contribute to the **development of skills** that enhance more informed and inclusive **digital citizenship**, public and private sector partnerships were created. Some organizations also work on news fact-checking.

Initiatives target the following groups:

Journalists

Educators

General public

This infographic identifies relevant national organizations and initiatives in Portugal.
